

Car parking

Arriving at King's Church

When you arrive at King's Church there is a car park to the rear of the building. However, these spaces are limited and we therefore advise that you park in our authorised 'FREE' overflow car park which is only a five minute walk away from the church.

Locating the overflow car park:

Follow Tenison Road towards Station Road and at the T-Junction make a right turn. Immediately on your right are a row of trees in front of the PEM office buildings. Take the first right into the entrance to these buildings and park anywhere in front of the PEM offices or behind their office buildings in the designated private car parks.

** Please do not park in front of any other company offices and avoid double parking.*
